Hi Scott-

I checked my emails before my voicemails! Just listened to the message from you. I'll try to give you a call tomorrow to discuss EPA's plans and how we can all work together to manage access, assessment, cleanup, etc.

Thanks,
Kris

Thanks Jeff.

Scott - since Jeff is out in the field quite a bit, and busy with many projects, please communicate with me going forward.

Thanks,
Kris

Kris,

Scott called me today (copied here) but we could barely hear each other because I was outside. He told me he wanted to coordinate with Judge Garratt regarding the work we are planning at Pillon property. With this email, I'm asking that he coordinate with you regarding access or other legal issues.

Thanks (to you both).
